WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Stewartstown, in the County of Coos in said State qualified to vote in Town Affairs:

You are hereby notified to meet at the town house in said town of Stewartstown on Tuesday, the 9th day of March next, at ten o'clock in the forenoon to act upon the following subjects:

1. To see if the town will vote to accept State Aid.
2. To see if the town will vote to accept the budget, as approved by the Budget Committee and raise money for the same. If not, to see what sum of money the town will vote to raise to defray town charges for the ensuing year as follows:
 - (a) Town Officers' Salaries.
 - (b) Town Officers' Expenses.
 - (c) Election and Registration.
 - (d) Town hall, office and other buildings.
 - (e) Damage and Legal Expenses.
 - (f) Health Department.
 - (g) Town Dump Expense.
 - (h) Vital Statistics.
 - (i) General Expense of Highway Department.
 - (j) Civil Defense.
 - (k) Interest on Temporary Loans.
 - (l) County Tax
3. To raise such sums of money as may be necessary for support of poor.
4. To raise such sums of money as may be necessary for support of Libraries.
5. To raise such sum of money as may be necessary for care of cemeteries.
6. To see if the town will vote to raise two thousand seven hundred dollars (\$2,700.00) for street lighting.
7. To see what sum of money the town will vote to raise for the following departments:

- (a) Police Department.
- (b) Fire Department.
- (c) Sewer Department.

- 8. To see what sum of money the town will vote to raise in addition to that required by law for the town road maintenance.
- 9. To see what sum of money the town will vote to raise for winter roads.
- 10. To see if the town will vote to raise and appropriate the sum of fifty dollars (\$50.00) to the White Mountain Region Association, for the purpose of issuing and distributing printed matter and publicizing the advantages of the town in cooperation with the other 45 towns in the region.
- 11. To see if the town will vote to elect the members of the Municipal Budget Committee by requiring them to file, and ballot on them as is the procedure with other Town Officials, instead of the method now being used, and exempt them from a filing fee as they are a non-paid Committee.
- 12. To see if the town will vote to raise the sum of \$1,300.00 for the contribution to the Upper Connecticut Valley Hospital Association to purchase equipment for the Coos County Hospital.
Yes () No ()
- 13. To see if the town will vote to instruct and authorize the Selectmen to administer and dispose of at a public auction any and all real estate now owned and acquired by the town through Tax Collector's deeds.
- 14. To see if the town will vote to authorize the Selectmen to incur debts, for temporary loans in anticipation of taxes of the Municipal year and pay out of the tax money when it is received.
- 15. To see if the town will vote to instruct its Selectmen to appoint all other officers as required by law not elected by Non-Partisan Ballot.
- 16. To choose by Non-Partisan Ballot the following Town Officers:
 - (a) Town Clerk.
 - (b) Selectman for the three years ensuing.
 - (c) Town Treasurer.

- (d) Two Road Agents.
- (e) One or more Auditors.
- (f) Overseer of Public Welfare.
- (g) Collector of Diamond Pond Rent.
- (h) One or more sextons.
- (i) Trustee of Trust Funds.
- (j) One library trustee for the three years ensuing.

17. To transact any other business that may be legally brought before this meeting.

Given under our hands and seals this 16th day of February in the year of our Lord Nineteen Hundred sixty-five.

Wilman I. Allen
Roger L. McAllaster
Linwood S. Harriman
Selectmen of Stewartstown

Auditor's Report

We hereby certify that we have carefully examined the accounts of the Town of Stewartstown and find them correct to the best of our knowledge.

GLENN RANCLOES
FABIANA PARKER
Auditors of Town of Stewartstown

TO THE INHABITANTS OF RIVERSIDE, N. H.

We wish to explain why your streets were not paved last summer.

The funds were ready the first of July.

Mr. Ellingwood, the state engineer, required some surfacing to be done.

This surfacing was done according to his requirments in July.

The State did not come to pave these roads until it was too late. The roads were frozen and it could not be done.

Early this spring we are in hopes to be able to get a concern from Newport, Vermont to pave these streets and not wait for the State.

Respectfully yours,

Selectmen of Stewartstown

TOTALS

REPORT OF THE FOREST FIRE WARDEN AND YOUR DISTRICT CHIEF

The 1964 forest fire season surpassed the record year of 1163 in both length and severity. For the second successive year, we experienced a rainfall deficiency of more than ten inches and the compounding of such drought conditions, together with the many days of strong, dry winds, characterized 1964 as one of the most hazardous years in the past half century. Although our fire season was three weeks longer than that of 1963, the number of fires showed only a slight increase and more remarkable was the fact that the area burned dropped from 2280 acres in 1963 to 900 acres in 1964. Early detection and rapid response kept many potential fire disasters from becoming reality. We all owe a debt of gratitude to the men in this community who responded and fought our fires so efficiently. Our state is now 86% wooded and its economy - both industrial and recreational - is greatly dependent on this forest resource. The responsibility for adequate fire protection of this great area - 4,350,000 acres - is everyone's responsibility and prevention is one of our most effective tools.

Prevention is good common sense.

1. Take your rubbish to the town dump. If you must burn, obtain a permit and watch your fire until it is dead out.
2. Instruct your children in fire safety. Keep matches from young children. Explain to them the dangers of lighting matches and making outdoor fires.
3. Be sure discarded smoking material and matches are out.

A major portion of our preventable fires this year are chargeable to three causes: (1) permit fires allowed to escape; (2) children playing with matches; and (3) smokers. Let's be mindful of the fact that all such fires endanger property and lives.

We wish to thank you for your very fine cooperation during the past fire season and with your continued cooperation we are confident that we can improve our fire record in 1965.

STEWARTSTOWN SCHOOL DISTRICT

WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Stewartstown qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on Tuesday, the 9th day of March, 1965, at 10:00 o'clock in the forenoon at which time the polls will be opened, followed by the business meeting at 2:00 o'clock in the afternoon, to act upon the following subjects:

1. To bring in your ballots for the election of School District Officers to be elected by ballot for the School District of Stewartstown for the ensuing year(s).
2. To determine the salaries of the officers and to fix the compensation of any agents of the district.
3. To hear the reports of Agents, Auditors, Committees, or Officers chosen and pass any vote relating thereto.
4. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents and for the payment of the statutory obligations of the District.
5. To see if the district will vote to authorize the school board to make application for and to accept, on behalf of the district, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or United States.
6. To transact any other business that may legally come before this meeting.

Given under our hands at said Stewartstown this 1st day of February, 1965.

BURLEIGH R. PLACEY, Chm.

School Board

Superintendent's Report

**To the School Board and the Citizens of the
School District of Stewartstown:**

FOREWORD

Present indications are that more time will be given to education in legislative halls during the current session at both national and state levels than at any other time in the history of our country. Without question, the unprecedented tremendous volume of lip-service given to education by laymen as well as by professionals in the last decade has had much to do in bringing this about.

What is going to be interesting to watch now, will be the educational developments during the next ten years. As is so very well known, for an extended period of time much has been heard about what should be taught, how it should be taught and the necessity of a relatively large unit if it is to be done at all effectively. It has long since been discovered also, that to convert most of the theories advanced into action that it invariably results in one thing. It costs more money. Hence the legislator is appealed to for help. For, by and large he is not consulted relative to subject matter content or the most effective way to get it across to the pupil. Generally speaking, he is approached only after it is realized that additional funds will have to be forthcoming if the desired objectives are to be reached.

Of perhaps even greater significance than the educational developments during the next decade, will be the outcomes achieved as a result of what is done. Possibly, more conclusive evidence will be available then to substantiate the broadly accepted belief at the present time, that with the organization into larger units and the spending of more money a superior education follows. It is suspected though that it may still be difficult to really determine this point. For, as has been true since our schools were first instituted a long time ago, it is not so much what is taught or how it is taught as it is what the learner does with it after he gets it.

TEACHERS

With the shortage of elementary teachers becoming each successive year even more acute, particularly in self-contained

multi-graded classrooms, we are fortunate to have all positions filled. The two new teachers employed are both at the Hollow School. Mrs. Marcia A. Pond, principal, who graduated from Plymouth State College last June, teaches Grades 5-8. Mrs. Dorothy G. Gould, a teacher with previous experience in this area who received her training at Gorham Teachers College, Gorham, Maine, teaches Grades 1-4. The veteran teachers at the West Stewartstown School with respective grades taught are: Mrs. Gladys M. Oakes, Principal, Grades 6-7-8; Mrs. Henrietta W. Jackson, Grades 4-5; and Mrs. Cleora M. Richardson, Grades 1-2-3.

SCHOOL NURSE — HEALTH

As has been cited again and again the importance of the work done by the school nurse in maintaining overall good health contributes very materially to the effectiveness of the academic work done and to a happy and successful life of the pupils in our schools. The comprehensive program conducted includes clinics, immunizations, physical examinations, frequent check-ups on height, weight, hearing, and eyesight, and continuous supervision of general health.

As much as these services contribute to what is accomplished health-wise in our schools, however, one of the utmost vital importance--dental care-- still urgently needs to be included. A dental clinic conducted once or twice a week throughout the entire school year is most urgently needed if there is to be any semblance to what is done in this area in most schools up and down the state.

MAINTENANCE — REPAIRS

Most maintenance and repair work done during the past summer has been confined to the building at West Stewartstown. The lighting in the three classrooms presently in use has been improved tremendously by replacing the former incandescent fixtures with two lines in each room of fluorescent ones. Considerable work was done, also to the heating system and to the plumbing. In the furnace a pump was installed in the return line to bring the condensed steam back to the boiler, and the ignition system of the boiler burner was changed from a vent to an electric type. Work on plumbing included the replacement of parts or of complete units of several installations in both boy's and girl's toilets.

Of the carpentry done, the replacement of the front porch floor was the main thing. After the completion of the laying of the floor its surface and those of both the north and south porches were painted as was the entire basement floor inside the building.

At the Hollow School the heavy-wire fence fastened to cedar posts was extended some distance along the front of the playground next to the road. Inside the building moveable book-cases were made and placed in the classrooms, the painting was touched-up where needed, and additional shelves were installed in the kitchen.

SCHOOL LUNCH AND MILK PROGRAMS

The district is extremely fortunate to have some one to continue the operation of an outstanding school lunch program at the West Stewartstown School. The willingness of Mrs. Floris Ladd to conduct this very important morale and good health building activity means a great deal to the overall happy life of the school.

MILK PROGRAM

The milk program at the Hollow School, also, now in its second year of operation, much like the lunch program conducted in the west side of the district, contributes very materially to the overall physical well-being of the school.

NOTES ON THE BUDGET

As will be noted upon examination of subsequent pages in this report the School Board's budget of \$91,512.00 for 1965-66 is somewhat larger than that recommended by the Budget Committee, of \$90,512.00. In comparison to this year's budget of \$77,977.00, which was recommended by both the Board and the Committee, both of the budgets submitted for consideration for next year represent a substantial increase. With a smaller estimated income of \$30,252.23 as compared to the \$31,300.00 estimate for this year, also, the balance left to be raised by taxes by the town of \$61,209.77 for the Board's or \$60,259.77 for Committee's budget is, in either case, an appreciably larger amount than the \$46,677.00 estimate for the current year. Provision for increases in salaries and tuition costs, for the most part, explain the increase in the budget.

ENROLLMENT AND ATTENDANCE

Although the present enrollment of 120 pupils, West Stewartstown 68 and the Hollow 52, is somewhat larger than last year's of 110, it is in the vicinity of that of 132, 120, 124, 113, and 112 for the respective preceding five years. The average percentage of attendance for the past year was 96.28 on the West Side and 95.59 on the East Side of the district, while the total number of tardinesses taken in the same order was 36 and 4.

TUITION PUPILS

Like last year when it was 62, the number of pupils enrolled in schools outside the district of 61 at the present time is still larger than it was at any time during the preceding eight years when it was 55, 47, 47, 39, 45, 37, 35, and 28 respectively. Of the number of pupils for which the district is paying tuition for the current year, 21 are at Colebrook Academy, 38 are at Canaan High School, Canaan, Vermont, and 2 are at Colebrook Elementary.

CONCLUSION

May I again express my deep appreciation to the members of the School Board, parents, teachers, and citizens for all the assistance and cooperation received in our working together during the past several years in a joint effort to provide and maintain high standards in our schools.

Respectfully submitted,

ERNEST B. DANA

Superintendent of Schools

	77,815.25	77,977.00	91,462.00	90,512.00
--	-----------	-----------	-----------	-----------

* The starred items are required by law to be raised as determined by the proper authorities. The Retirement Board assesses the amount of Teachers' Retirement and the Federal Government determines the rate of assessment under the Federal Insurance Contributions Act. A relationship which takes into consideration school membership and assessed valuation determines the proportionate share of the salaries paid by each district for personnel employed by the Supervisory Union.

Estimated Income 1965-66

Balance	1,252.23
Sweepstakes	5,000.00
